GRASS VALLEY: Grass Valley (Population 10,000) and Nevada City (population 6000) are both historic Gold Rush towns located in the Central California foothills at 2600' elevation. The distance to or from airports in Reno, Nevada (90 miles) or Sacramento, California (65 miles) are both easily assessable off the I-80 Corridor. via US Hwy 20 from Reno or State Hwy 49 from Sacramento at Auburn... Nevada Union High School is located on Ridge Road equidistant from both Grass Valley or Nevada City an easy location to find. US Hwy 20 and State Hwy 49 combine to form a freeway between the two towns. Parking is available close to the stadium. Sanitary Facilities will be available on both days of the meet. The meet is sanctioned by USATF.
